Sometimes  
perfection needs  
a few takes

Like the best recordings, Chord Company cables are made with care and attention to detail. Every part we use is crucial to the final performance. Non-essential components are removed, but if we find a way to improve things, we don't hesitate to give it a try. Our aim is to get closer to the artist's intended sound.

The result is a range of award-winning, cost-effective, high-performance interconnects and speaker cables featuring our unique ARAY conductor technology and advanced shielding materials, backed-up with over 30 years of innovation and experience.

Designed and built in England by music lovers since 1985. Enjoyed by music lovers all over the world.
